Dear Doctor:

Counsellor Queen has probably told you by now that we made the trip to Fort Dix yesterday and spent a most enjoyable afternoon. We stayed and had dinner in the Officers quarters. I imagine he has also told you that the Colonel seemed very enthusiastic about the Regiment coming to the Ball game May 11th.

He asked that we secure State Trooper escort from Fort Dix to the Ball Park, if possible. I am beginning today to take steps to get 100% co-operation of the local authorities, and I was wondering if it would be simpler to get the State escort situation handled from Trenton. Mr. Queen said that he was sure your Committee could handle this situation very easily. I will plan to see you sometime between now and opening and discuss in detail. In the meantime I would like you to let me know what you would like me to do in regards to handling you and your friends from Trenton. I imagine you would like to be associated with the Regiment, but I would appreciate having you tell me what you desire in the matter. I do hope we will have a nice day, because I am sure the affair will be a memorable one.

I have been assured that the Mayor will issue a proclamation declaring May 11th, 372nd Day in Newark. I will keep in touch with you and let you know new developments, as the plans progress.

Very truly yours,
